In-Season Qualifying Requirements

1. All Schools are REQUIRED to participate in the Section One website which can be located at www.Section1swim.com. The Section will pay the fee for all 2016 – 2017 teams. Therefore there is no direct cost to your school or yourself personally. All team information which includes your school name, the head coach, assistance coach, team mascot is due to John Coombs at john@computeraide.com by November 15th, earlier would be preferred. Your final team roster is due to him with the full name of your swimmer/diver and their year in school by November 25th; i.e., Tom E. Smith no nick names such as Tommy Smith.
2. All schools must provide a representative head coach, assistant coach or athletic director to attend the Joint Mandatory coaches meeting held in the Fall. **If a school is NOT represented, then they are INELIGIBLE to participate in In-Season Qualifying for the 2016 – 2017 school year.**
3. Meet results must be put into the Section 1 website within 24 Hours of the meet start. Results are time stamped and if put in later than 24 hours, it will be flagged and any time which met the standard for in-season qualification will be nullified.
4. At the trials, a copy of ALL meet score sheets with the referee signature in place and if using FAT (fully automatic timing) a copy of the printout for the meet will be required for those who have qualified in-season only. Data will be kept for 7 years electronically.
5. If FAT is not available, the use of 3 hand-held watches will be allowed. 1 watch will come from the lane timer, and 1 watch each from the home and visiting team (person to be determined by coach and cannot be a team member). For timing purposes during the meets, there should be a single timer behind each lane, even when FAT is available. Home school should be placed on visitors lanes and visitors should be placed on home lanes.
6. A swimmer can qualify for the 50 free and 100 free through swimming the lead off leg of the 200 Free or 400 Free relay IF all requirements of the start, stroke and finish are legal. Also, IF the relay team is disqualified, as long as it was not the lead off leg of the relay, then the time stands as valid.
7. The NYSPHSAA Protocol for Athletes to qualify must also be met for athlete to be eligible for participation in the NYSPHSAA Meet without exception.

PROTOCOL FOR ATHLETES TO QUALIFY FOR THE STATE SWIMMING AND DIVING CHAMPIONSHIPS

1. Swimmers will have the opportunity to qualify for the NYSPHSAA/NYS Federation Championship Meet if they meet the event qualifying standard during the regular season.
2. Swimmers who have qualified for the NYSPHSAA/NYS Federation Championship Meet are required to participate in their respective Sectional Championship Meet. Swimmers are not required to swim the event(s) in which they have met the qualifying standard. If circumstances out of the swimmer's control, such as injury or illness, prohibited participation in the Sectional Championship Meet, the school may appeal to the Section.
3. The Section champion in each event will represent the Section in the NYSPHSAA/NYS Federation Championship Meet. If the champion chooses not to attend the State Meet, the Section may replace the swimmer with the 2nd place finisher only if no other swimmer met the qualifying standard for that event.
4. FAT Timing (Fully Automatic Timing) or three (3) handheld watches must be used for the time to meet the qualifying standard. Divers must be scored by NFHS certified officials.

SECTION ONE SWIMMING AND DIVING WINTER 2016 – 2017

HOW TO QUALIFY FOR SECTIONAL CHAMPIONSHIPS

Championship Trials will be the fastest 32 competitors per event. If the number of qualified competitors exceeds 32, then additional swimmers will be added to complete the heat. If the number of qualified competitors falls below 32, additional swimmers with the next fastest time will be added until the field reaches a total of 32. A coach is able to enter a swimmer/diver into Sectional Championships at the Sectional Seed Meeting, having completed all necessary forms to have the School compete and each school utilizing an entry card for each entry. For the 2016-2017 season, we will automatically seed the first 2 alternates in the program. If you have a swimmer that has yet to make the cut, but is close, it is your responsibility to enter them electronically.

An individual is able to qualify for Sectional Championships via a Time Standard (See attached, which is the averaged time of 16th place over the past 5 (five) years from Section One Championships) and that individual must have participated in a minimum of 6 (six) meets during the regular season to be eligible for Section Championships. Each school may enter a maximum of 4 (four) swimmers/divers in each event, not to exceed the limit of 2 (two) relays/2 (two) individual events or 3 (three) relays/1 (one) individual event per person.

A School is able to enter 1 (one) relay team (4 (four) swimmers) per relay event no matter what the seed time is, allowing **each school participating in Section One Swimming representation the Championships in at least 3 (three) events.** (200 Medley Relay, 200 Freestyle Relay, and 400 Freestyle Relay).

Championship Finals will be the top 16 competitors and places 9 – 16 in the Consolation Finals and places 1 – 8 in the Finals. A swimmer in consolations may not qualify/finish any higher than 9th place and a swimmer in finals may qualify/finish no lower than 8th place.
